Dear Parents and Students,

We are excited to announce that next year we will be hosting an all-inclusive trip to Seoul, South Korea! This rare opportunity is open to everyone in our program and we are thrilled to invite you to participate. The trip will be two weeks in length, the 2<sup>nd</sup> & 3<sup>rd</sup> week of July 2018. The specific travel dates will be announced soon, but we wanted to make you aware of this opportunity as soon as possible, for your planning purposes.

This once in a lifetime trip will give you and/or your student not only an opportunity to visit and explore the country where Taekwondo was born, but also to train with the real Korean Taekwondo Team!

Included in the trip will be all airfare, 8 nights stay at a 4-star hotel, all transportation, all food for the entire 10-day trip (2 days will be travel days), tours of the Taekwondo Museum and Park, as well as guided touring of various cities around the country.

We are only able to offer this trip once every 4 years, so you do not want to miss this exciting and rare opportunity! We will have many more details to come, including specific dates, all-inclusive price and the date that sign-ups begin. In the meantime, we hope you will mark this in your calendar and make plans to join us on this amazing South Korean adventure!
